Dear Ms. Pittinger:

The Giles County Board of Supervisors approved to move forward with requesting the Virginia Fire Services Board to conduct a Fire and EMS Study for our locality.

Giles County is approximately 360 square miles with a population of 16,930. We have eight (8) volunteer fire departments in which three (3) are not supported by a town municipality and two (2) volunteer rescue squads. The Board of Supervisors also has an active contract with a paid emergency medical service through Carilion.

We would greatly appreciate your assistance in evaluating our current fire and emergency services. If you need additional information or have any questions, please contact me at 540-921-2525.

Sincerely,

Chris McKlarney
County Administrator
